

## *Low-tech composting toilet How-To*

- i Remove top part of chair to access bucket lid,
- ii Do your bizness .. paper and everything can go in the bucket. Spare paper is in the tupperware – “if you kill it, fill it.”
- iii Cover with a handful of loose straw, a couple scoops of dirt mix,

- iv tamp lightly and sprinkle with wood ash.
- v Replace bucket lid loosely. If the bucket seems to be getting full, please let us know.

- vi Say Thank You.
